*In 2015, two film critics posted critical reviews of the movie 'Cool Cat Saves the Kids'. These reviews featured footage from the film, and bashed it for its acting, plot and the message it sent to children. In response, the film's writer and director **Derek Savage** filed copyright claims against these critics, succeeding in having one of the critics' YouTube channels suspended.*

Hades' is a dentist.
He maims handsome
atheists' teeth (don't
demonize him,
he has anaesthesia).
Sadism sates Satan;
it's his mania. Hades
tho, he's had snide
nemeses.
His estate is modest.
He has no tithes,
saints or heathens.
No deism.
His domain (death) is
not his in men's minds.
He is done.
So, in a dentist's de-
mense he smites.

*Actor and film maker **Matthew Hosseinza-deh**, creator of 'The Bold Guy', filed a copyright infringement lawsuit in 2016 against h3h3 Productions for their comedic reaction video critiquing his work. As of the time of writing, the two parties are engaged in a legal battle to establish whether or not the video made contributed new meaning to Hosseinzadeh's work.*

U (Aural Earl) - Rarr

Me - U real?

U - Axe ur lame, lax
aural aura!

Me - Um, relax?

U - Rue ur ear!

Me - R U urea?

U leer

*In June 2017, digital composer **Alex Mauer** began issuing copyright strikes against YouTube videos of the game 'Starr Mazer: DSP' in an effort to get the music she produced for the title removed. She has since extended these efforts to several other games she worked on, as well as videos featuring photographs of her or reference to her publically available full name.*

He harasses her.
Others harass her,
obsess or no-honor
her,
those boors.
Those boors boast and
roar.
Eros eats hearts, heats
her ears,
shoots her breasts, her
ass, her torso.
No robes, not on the
street.

*Actress **Shoshana Roberts** was paid \$200 to be filmed walking the streets of Manhattan for 10 hours for the 2014 two-minute film 'Catcall'. The film was intended to document the sexual harassment she received and raise awareness, and went viral receiving over 40 million views. Roberts subsequently filed a \$500,000 lawsuit against the film's director for violation of her civil rights.*

Ammo. Aim. Arson.
Arms.

Smears. Sneers. Sin.
Soma. Smarm.

Minor monies. Major
monies. Major messes.

Romines' reason?
Jim's meanness.

Jim's reason?
No reason. None.

*After critic Jim Stirling named 'The Slaughtering Grounds' one of the worst games of 2014, an unpleasant rivalry was sparked with the game's developers James and Robert Romine. In 2016, **James Romine** filed a lawsuit against Stirling for over \$10 million in damages as well as an additional lawsuit against 100 anonymous users of the Steam gaming platform.*
